

Our Mission

We aim to make a positive impact on the hearts & minds of the people of Zimbabwe for Christ through educational camps, inspirational retreats & community events in a picturesque setting.

We at Lasting Impressions believe that when individuals are taken out of their comfort zones and into the outdoors this creates an opportunity to explore new heights of learning. We have found that a strong work ethic, building integrity, being creative, and having fun all help to build community and group dynamics. We endeavour to tap into the immense potential of individuals, bringing out their best.
